

Tor ≠ Darkweb

W

noz:lla

Tor ≠ Dark Web

- Tor was built by U.S. Naval Research Laboratory
- *Dark* implies *unknown*, not equal to dangerous or evil
 - People called Africa the “Dark Continent”
- Any technology can be a double-edged sword
- 3% of Tor traffic connects to “hidden” onion services

Positive Uses of Tor

- Onion service: better authentication & more secure
- Anonymous publishing
- Anonymous browsing
- Websites blocked by governments
